This event will bring together 12South neighbors and merchants in a casual atmosphere to provide them with information on useful resources that support our neighborhood. Representatives from several Nashville municipal departments will be in attendance, giving neighbors an opportunity to meet the people who are helping shape the fabric of the neighborhood as it grows and transitions, and learn how they can stay informed and involved.

***Municipal and Planning representatives  
to be in attendance:***

District 17 Council Person Sandra Moore  
Metro Planning Department  
Nashville Civic Design Center  
Metro Historic Commission  
Metro Beautification & Environment Commission  
Metro Tax Assessor

***...plus a collection of 12South merchants and  
business owners.***
